

# Singin' in the rain

**G**            **G6\***    **G**            **G6**  
I'm singin' in the rain, just singin' in the rain

**G**            **G6**            **D7**  
What a wonderful feelin', I'm happy again

I'm laughin' at clouds so dark up above

**G**            **G6**  
The sun's in my heart and I'm ready for love

**G**            **G6**            **G**            **G6**  
Let the stormy clouds chase everyone from the place

**G6**            **D7**  
Come on with the rain, there's a smile on my face

And I walk down the lane with a happy refrain

**G6**  
Oh I'm singin', just singin' in the rain

*\*(to play G6 just play G and lose your ring finger)*
